PSYCHIC SURGERY

Mind Body Soul Exhibition

11th & 12th September 2010

Chilford Hall, Linton, Cambridge

Every once-in-a-while, along comes someone very different; Gary Mannion is unique! Although only in his early 20s, Gary is already an established Clairvoyant medium and Psychic Surgeon who is regularly asked to perform his extraordinary demonstrations of Psychic Surgery. With the help of his spirit surgeon, Abraham, Gary aims to widen the reach of this form of non-evasive surgery, which is painless and leaves no scar. Also Abraham guides Gary's hands to inject spiritual energy into those parts where disease has been detected and is developing.

Gary first become aware of his abilities at 13 when he was taken to a Spiritualist Church, when, on seeing the Medium tune-in, he heard a voice in his head saying "You can do that". Gary says that hearing the voice at such a young age is quite an experience but he tried it, and it has worked ever since.

At the Mind Body Soul Exhibition on Saturday, Gary will be giving a demonstration of psychic surgery on some willing members of the audience. These operations, which are completely safe and painless, are non-evasive and require no surgical instruments or removal of clothing. Whilst working, Abraham will also answer questions from the audience on any spiritual subject. Gary will also be available over the weekend on his stand.
